

SATA Data Cable

SATA Male / SATA Male with Latch, Red, 50 cm (20 in.)

Make a quality connection.

Model
324397

This MANHATTAN® SATA Data Cable with latches helps link secure devices to controllers. MANHATTAN helps meet the increasing demand for this popular hard-disk drive technology that's quickly becoming the primary PC storage interface. With support for the latest SATA data transfer speeds, this new MANHATTAN SATA data cable is ideal for SATA multi-user storage and other applications. The latching mechanism is able to be connected to latching or non-latching ports.

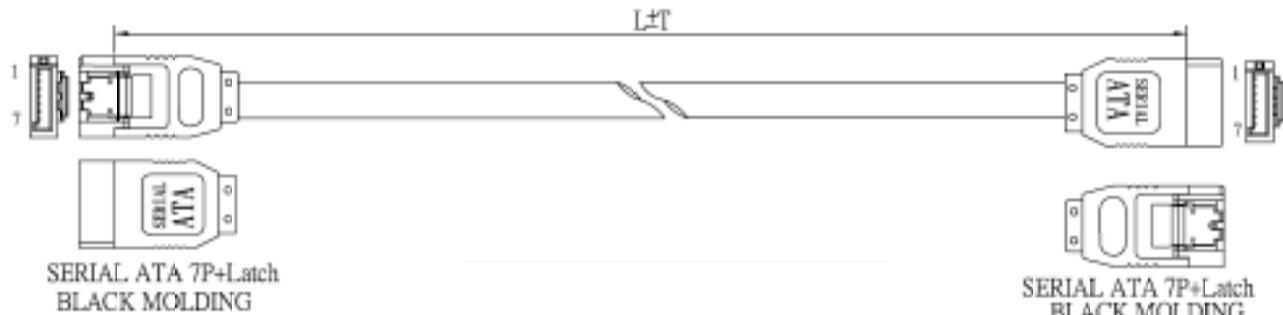

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.
